

Common Specialized Subjects of the School of Cultural and Social Studies

Course Code	Subject	Credit	Content of subject	
10SCS001**	Comprehensive Bibliographical Studies	2	Beyond their genre, beyond the original intent of their authors, books also contain a variety of information on human activities. In this class, we explore various approaches through multidisciplinary cooperation of philology, bibliography, linguistics, history, iconography, etc. in the aim of enriching the study of humanities with a focus on the immense number of books that have been handed down in Japan.	Refer to the Syllabus-AY2022 edition for detail.

A two-digit number or letter will be entered to ** according to the semester or the lecturer in charge.
