

Changes in screening procedures for 5-year doctoral program

For applicants who are unable to take the GRE physics exam due to the effect of COVID-19, Department of Astronomical Science will hold a written exam as an alternative.

Detailed information on the method and schedule of the written examinations will be announced as soon as it is determined.

Applicants who are unable to submit GRE physics scores by the application deadline due to the above reason must contact the Graduate Student Affairs Unit of NAOJ with the reasons by October 22, 2021.
