1. General Prospectus

SOKENDAI (The Graduate University for Advanced Studies) was founded on October 1, 1988 as one of the national universities of Japan. The basic idea of SOKENDAI is to develop a new system of postgraduate education in Japan. Its key features are as follows;

1) SOKENDAI offers both three-year and five-year doctoral programs.
2) SOKENDAI consists of six schools with 20 departments operated by 17 Inter-University Research Institutes and Independent Administrative Institutions (“parent institutions”).
3) Research and education are carried out in close cooperation with the parent institutions.
4) Broad and international visions are fostered by enhanced interchange among all departments and other universities in Japan and abroad.

The parent institutions provide Japanese and foreign scientists with opportunities to conduct advanced joint research in various branches of science. They are equipped with extensive research facilities and function as centers for advanced studies. At present, they are cooperating in establishing a world-class program of postgraduate education in SOKENDAI.

2. Department Outlines

The Department, affiliated with the National Museum of Ethnology, Japan, offers opportunities to study individual societies and cultures in Asia, Europe, Africa, the Americas and Oceania. Students will develop high expertise based on intensive fieldwork. The structure, history and other characteristics of each society and culture are explored using ethnographic methodologies. Practical and theoretical problems in local areas are investigated. New approaches in anthropology and related disciplines are encouraged.

3. Doctor’s Degree Requirements

Doctor of Philosophy shall be conferred to students who have satisfied the requirements of their respective program as prescribed below.
[Three-year doctoral program]
Students must be enrolled in SOKENDAI for at least three years; additionally, they must earn the necessary credits, receive necessary research guidance, and pass the examination for a doctoral thesis. Students who are recognized as having achieved significant progress may be able to graduate in a shorter time frame.

4. Qualifications for Application

[Qualifications for non-degree student]
All applicants must satisfy the conditions and qualifications required by MEXT.

Notes:
For applicants who wish to enter a three-year doctoral course after being admitted as research students, they must take an entrance examination for general admission and pass the selection.

[Qualifications for the three-year doctoral program]
Applicants must fulfill one of the following conditions;
1) Applicants on whom a Master’s degree or a degree equivalent to a Professional degree has been conferred or is expected to be conferred in a foreign country by the preceding month of enrollment.
2) Applicants who hold or are expected to obtain a Master’s degree or Professional degree by the preceding month of enrollment in Japan.
3) Applicants who have been recognized by SOKENDAI as having academic ability equivalent to or superior to those who have a Master’s degree or a Professional degree by the individual screening of Admission Qualifications of SOKENDAI, and attain the age of 24 by the end of preceding month of enrollment.

5. Application Procedures

[Application Period]
November 1-29, 2019*
*The application must arrive no later than the last day of the application period without fail.

[Application Method]
Please contact a faculty member of the department whom you would like to study under in advance. The complete set of application documents must be enclosed in the designated envelop and generally must be submitted by registered express mail or a similar service. The application must reach SOKENDAI no later than the last day of the application period.
6. Selection Schedule and Method

Screening of application materials. If deemed necessary, an interview with the applicant will be conducted through internet. Applicants will be separately informed of additional selection details after their documents have been submitted.

7. Announcement of Result

Preliminary admission and scholarship announcements will be sent in April 2020.
Final announcements will be sent by July 2020.

Application Guidelines for Japanese Government (Monbukagakusho: MEXT)
Foreign Research Student Scholarship 2020 (SOKENDAI Recommendation)

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) offers a Japanese government scholarship to foreign students who wish to study at SOKENDAI by its recommendation as follows.

1. Qualifications and conditions

1) Applicants:
The scholarship is offered to new foreign students who have earned the equivalent level of a graduate with outstanding academic performance. The applicant must have a minimum GPA 2.3 or higher and are expected to maintain the equivalent level during the scholarship period.

2) Nationality:
The applicant must hold a nationality of a country that has diplomatic relations with the Japanese government. The applicant who holds Japanese citizenship at the time of application is not eligible.

3) Age:
The applicant must be under 35 years old as of April 1, 2020. (The applicant must have been born on or after April 2, 1985.)

4) Academic Background:
The applicant for the five-year doctoral program must have completed a 16-year course of study in the educational institutions of a foreign country or is expected to complete such course of study by September 30, 2020.
The applicant for the three-year doctoral program must have been granted or be expected to be granted a Master’s degree or a Professional degree by September 30, 2020.
For the detail, please find “4. Qualifications for Application” in the application guidelines.

5) Study Area:
The study area must be in the same field as the applicant has studied or in the related one.
The field of study must be the one available at SOKENDAI.

6) Language ability:
The applicant must have sufficient English ability to pursue his/her studies.
In the fields which requires Japanese language ability (Japanese linguistics, Japanese literature, Japanese history, and Japanese law), the applicant must have sufficient Japanese ability to pursue his/her studies except under very special circumstances.
7) Health:
The applicant must be physically and mentally healthy enough to take graduate studies at a university in Japan.

8) Arrival in Japan:
The applicant must be able to arrive in Japan on the dates designated by SOKENDAI in the period between the middle of September and the beginning of October, 2020. (The applicant who cannot arrive in Japan within the designated period should decline the acceptance. Those who arrive in Japan before the designated date for personal reasons will NOT be provided traveling expenses to Japan.)

9) Visa Requirement:
If selected, the applicant will be required to acquire a “Student (ryugaku)” visa in the home country prior to coming to Japan and enter Japan with “Student” status. Therefore, the successful applicant who is already in Japan under a different resident status must change his/her resident status to “Student” by the end of September, 2020 and re-enter Japan with “Student” status. (The applicant who comes to Japan with a visa or resident status other than “Student” will NOT qualify for the Japanese government scholarship. Also, please note that the applicant who changes his/her resident status to any status other than “Student” after entry into Japan will lose his/her status of a Japanese government scholarship student.) Please be informed that there is a possibility that your application for the original resident status may not be approved after the period of MEXT scholarship student.

10) Others:
The student under the conditions stated below will NOT be considered as a candidate.

a) Military personnel and military civilian employees registered on the active list;
b) The applicant who is not able to arrive in Japan on the appointed dates;
c) The applicant who has received the MEXT scholarship within the past three years (However; this restriction does not apply to those who have been enrolled as a scholarship student in Japanese language and culture program or as a scholarship student in the Japan-Korea Joint Undergraduate Course for Science and Engineering.)
d) The applicant will not be accepted if he/she applies for another MEXT scholarship.
e) The applicant will not be eligible for this scholarship if he/she has enrolled in a Japanese university with “Student (ryugaku)” status at the time of the application and has enrolled/will be enrolled in a Japanese university as a privately-financed foreign student between the time of application and the beginning of the scholarship payment. If the applicant who has enrolled/will be enrolled in a Japanese university as a privately-financed foreign student surely knows at the time of the application
that he/she will return to his/her home country before the scholarship period starts
and will acquire a “Student” visa and enter Japan with the visa, the preceding
paragraph shall not apply to the applicant.
f) The applicant will not be accepted if he/she has already won a scholarship from
another institution (including the government of his/her home country) other than
MEXT.

2. Term of Scholarship

1) Non-degree student
If the grantee will enroll as a non-degree student after coming to Japan, his/her scholarship
will be payable for 18 months from October 2020 through March 2022.

2) Three-year doctoral program
If the grantee will directly enroll in the three-year doctoral program after coming to Japan,
the scholarship will be payable for three years (standard program term, starting October
2020 and finishing September 2023.)

3) Five-year doctoral program
If the grantee will directly enroll in the five-year doctoral program after coming to Japan, the
scholarship will be payable for two years (the first two years of the standard program term,
starting October 2020 and finishing September 2022.) In order for the grantee to extend
his/her scholarship till the end of the standard program term (till September 2025), he/she
should make an application for the extension of the scholarship which must be approved by
MEXT. Please note that depending on his/her academic achievement and the budget
condition of MEXT, his/her application will not necessarily be approved.

4) Proceed to degree seeking program
The grantee who desires to proceed from a non-degree student course to a degree seeking
program may have the term of his/her scholarship extended upon approval by MEXT,
provided that he/she has demonstrated outstanding academic achievement that meets
specified criteria. Please note that depending on the budget condition, not all the
application will be approved.
  *The grantee who proceeds from a non-degree student course to a degree seeking
program can NOT move to other university with MEXT Scholarship.

3. Scholarship Benefits

1) Scholarship amount:
The scholarship amount for 2020 has not been fixed yet.
For reference, the scholarship amount for 2019 is as follows.

<table>
<thead>
<tr>
<th>Enrolled Program</th>
<th>Amount of Stipends per month</th>
</tr>
</thead>
<tbody>
<tr>
<td>Non-degree student</td>
<td>146,000 yen</td>
</tr>
<tr>
<td>1 and 2-year student of 5-year doctoral program</td>
<td>147,000 yen</td>
</tr>
<tr>
<td>3 to 5-year student of 5-year doctoral program</td>
<td>148,000 yen</td>
</tr>
</tbody>
</table>

The amount for 2020 may change depending on the budget conditions.

The scholarship will NOT be paid to the grantee who takes a leave of absence from the university or does not attend classes for an extended period of time.

2) Transportation to Japan:
According to his/her itinerary and route as designated by MEXT, the grantee will be provided an economy class air ticket from the international airport nearest to his/her home address to Narita airport, or the international airport in Japan nearest to the campus of SOKENDAI where the grantee is placed. Other expenses such as inland transportation from his/her place of residence to the international airport, airport tax, and any special taxes on overseas travel, will NOT be provided. (The address stated in the application is considered as “home address of the grantee”.)
*No air tickets will be issued to the grantee for a route from any countries other than the country of his/her nationality.

3) Transportation from Japan:
For the grantee who returns to his/her home country by a specified date after the period of his/her scholarship has ended, MEXT will pay for an economy class air ticket from Narita airport or the international airport in Japan nearest to the campus of SOKENDAI where the grantee is placed to the international airport nearest to his/her home address.
* The grantee should purchase air travel insurance at his/her own expense.
* The airports for departure and return should be in the country of the grantee’s nationality.

4) Tuition:
SOKENDAI will provide all the tuition.

4. Recommendation and Selection

1) Scholarship Recommendation:
After screening at SOKENDAI, the President of SOKENDAI, recommends applicant who has shown academic excellence to MEXT.
2) **Scholarship Selection:**
Candidates are screened and selected by the selection committee from a pool of applicants recommended by presidents of all universities in Japan. Based on the result of screening and selection by the committee, MEXT selects grantees and their term of scholarship.

3) **Documents to be submitted:**
   a) Application Form (Attached)
   b) Field of study and study program (Attached)
   c) Photograph or digital image sized 4.5 cm x 3.5 cm taken within the past six months (Full-faced photograph. When photographed, the applicant must not wear a hat or cap hiding a part of his/her face or head. The applicant must write his/her name and nationality on the back of the photograph.)
   d) Proof of nationality (A copy of the applicant's passport is most preferable.)
   e) Certified academic records (originals or certified copies)
      The applicant must submit certified academic records of each academic year of all universities attended (issued by the university attended.)
      - The applicant must submit the official transcript from both undergraduate and graduate schools.
      - Submit official transcript of each academic year of all the universities or graduate schools you have attended.
   f) Diploma or degree certificate (originals or certified copies)
      The applicants must submit a diploma or degree certificate of all universities attended (or a document certifying that the applicant will graduate from the university by September 2020.)
      - The applicant must submit the Certificate of Graduation both undergraduate and graduate schools.
      - The applicant who has not yet graduated from a university must submit an attested document certifying that the applicant will graduate from the university before entering the doctoral program.
   g) Proof of the applicant's academic level, such as the academic ranking in his/her previous university (e.g., GPA, ABC grading, ranking of academic achievement.)
   h) Dean's recommendation letter from the home institution, addressed to the President of SOKENDAI (original)
   i) Abstracts of thesis
      If the applicant has no thesis or publications, please submit a summary of his/her current research project.
   j) Certificate of English proficiency
The applicant must submit a certificate of English or Japanese proficiency as follows.

Certificate of English proficiency:

i. Official score report, such as TOEFL, IELTS, TOEIC L&R and S&W, proving that the applicant has his/her English proficiency equivalent to CEFR (Common European Framework of Reference for Languages) B2 level or above

ii. Certificate proving that applicant has completed a master’s course in English as main language

Certificate of Japanese proficiency:

i. Official score report proving that the applicant has his/her Japanese proficiency equivalent to JLPT (Japanese Language proficiency Test) N2 level or above

ii. Certificate proving that the applicant has completed a master’s course in Japanese as main language

k) Proof of the applicant’s specific knowledge and capability in his/her field, such as a commendation for research achievement (optional)

5. Additional considerations

1) The documents above must be prepared in Japanese or English. If the documents are prepared in languages other than Japanese or English, the official English translation must be attached.

2) The documents above must be prepared using word-processing software. Print all required documents on A4 size paper. (if possible)

3) SOKENDAI does not respond to inquiries regarding the receipt of individual application documents.

4) SOKENDAI will not return submitted documents. In the case that a document is not re-issuable, please submit an attested (notarized) copy instead.

5) Admission may be withdrawn at any time even after enrollment if the application documents are found to be invalid or contain false information.

6. Notes

1) The recipient of the MEXT scholarship may have his/her scholarship revoked in the following cases. In case the recipient wrongly receives the scholarship under the following circumstances, he/she may be required to return the scholarship for the period.

   a) When the recipient has made false statements on the application;
   b) When the recipient violates his/her contractual agreement with MEXT;
c) When the recipient has been the subject of disciplinary action at SOKENDAI;
d) When it becomes definitive that the recipient will not be able to graduate (or complete the program) within the standard program term because of his/her poor academic achievement or suspension;
e) When the recipient changes his/her “Student” visa status to some other status of residence;
f) When the recipient receives other scholarships (excluding grants for specific research projects);
g) When the recipient proceeds to the higher courses without the approval for the extension of scholarship by MEXT;
h) When the recipient withdraws from SOKENDAI or transfers to a different graduate school.

2) If the recipient takes a leave of absence from SOKENDAI or does not attend classes for an extended period of time, he/she will NOT receive scholarship payments during the period.

3) Security Export Control: Depending on the specifics of the education and research instructions they wish to receive upon entering the program, applicants may be subject to regulations on the export/transfer of controlled technologies based on the Foreign Exchange and Foreign Trade Law. Please consult the Student Affairs Section for further details.
