

Announcement about the Entrance Examination to be held in January 2022

January 4, 2022

Considering the spread of COVID-19, it has been decided that the entrance examination for Department of Astronomical Science, which was scheduled to be held at Mitaka Campus on January 22, 2022, will be conducted online. There is no other major change.

Details on the required environment, devices, applications, etc. for taking the online entrance examination will be notified to applicants individually.
