

Graduate Institute for Advanced Studies, SOKENDAI
[Space and Astronautical Science Program]
Application Guidelines October 2024 (SOKENDAI Recommendation)
(Monbukagakusho: MEXT Scholarship Student)

1. General Prospectus

The Graduate University for Advanced Studies, SOKENDAI was founded on October 1, 1988 as one of the national universities of Japan. The basic idea of SOKENDAI is to develop a new system of postgraduate education in Japan. Its key features are as follows;

- 1) SOKENDAI offers both three-year and five-year doctoral programs which are for graduates with academic abilities equivalent to master's degree and a bachelor's degree, respectively.
- 2) SOKENDAI consists of 20 programs under one institute operated by 20 Inter-University Research Institutes and Independent Administrative Institutions ("parent institutions")
- 3) Research and education are carried out in close cooperation with the parent institutions.
- 4) Broad and international visions are fostered by enhanced interchange among various institutions and other universities in Japan and abroad.

The parent institutions provide Japanese and foreign scientists with opportunities to conduct advanced joint research in various branches of science. They are equipped with extensive research facilities and function as centers for advanced studies. At present, they are cooperating in establishing a world-class program of postgraduate education in SOKENDAI.

[Admission Policy]

<What SOKENDAI expects of our grad students>

The Graduate University for Advanced Studies, SOKENDAI, seeks students who have a strong interest in research, who constantly hone their abundant intellect and sensitivity with the aim of conducting research that will open up a new era, while taking a "bird's-eye view" of the entire field of study, and who have the will and enthusiasm to be active on the international stage.

<Basic policy for the selection of our grad students>

In selecting students for admission, SOKENDAI places importance on basic academic ability and logical thinking ability to actively promote research in the cutting-edge 20 research institutes affiliated to SOKENDAI. In order to properly judge such abilities, various selections will be made according to the respective fields of specialization.

2. Space and Astronautical Science Program Outline

Space and Astronautical Science Program provides students with comprehensive research guidance in space science (mainly astrophysics and solar system sciences) using space vehicles as well as in astronautical engineering, where research and development are being conducted on advanced space technologies that will lead to practical space environment. A distinctive characteristic of this department is that students become involved in the world's most advanced large-scale projects to acquire not only a rich knowledge of space science, but also the ability to plan and design spacecraft development projects.

3. Doctoral Degree Requirements

A Doctor of Philosophy degree shall be conferred on students who have satisfied the requirements of their respective doctoral programs as prescribed below.

[Three-year doctoral program]

Students must be enrolled in SOKENDAI for at least three years in principle; additionally, they must earn the necessary credits, receive necessary research guidance, and pass the examination for a doctoral thesis. Students who are recognized as having achieved significant progress may be able to graduate in a shorter time frame.

4. Qualifications for Application

[Qualifications for the three-year doctoral program]

Applicants must fulfill one of the following conditions;

- 1) Applicants on whom a Master's degree or a degree equivalent to a professional degree has been conferred or is expected to be conferred in a foreign country by the month preceding enrollment;
- 2) Applicants who hold or are expected to obtain a Master's degree or a professional degree by the month preceding enrollment in Japan;
- 3) Applicants who have been recognized by SOKENDAI as having academic ability equivalent to or superior to those who have a Master's degree or a professional degree by the individual screening of the Admission Qualifications of SOKENDAI, and have attained the age of 24 years by the end of the month preceding enrollment. (Note)

Notes:

*The qualifications concern not the date of completion of the master's course of study, but the

date of conferral of a master's or equivalent professional degree.

*Applicants who intend to apply under the provision 3) above are required to have a qualification screening to confirm "having academic ability equivalent to those who have a Master's degree or a professional degree" before the application can be submitted. If applicable, please contact the Student Affairs Section by email in advance.

*Those who have completed or are expected to complete a master's course before the time of enrollment in the program, but are not expected to be granted a master's or professional degree by that time must take extra screening procedures before the application.

*Other than the above qualifications 1) to 3), eligible applicants include those who otherwise satisfy or will satisfy the qualification requirements for general admission to SOKENDAI. If applicant has any questions regarding the qualifications for admission, please contact the Student Affairs Section in advance.

5. Application Procedures

[Application Period]

October 1 to October 31, 2023*

*The application must arrive no later than the last day of the application period without fail.

[Contact the prospective supervisor]

Before applying, the applicant must contact the prospective supervisor and confirm whether he/she can accept the applicant if the applicant passes the examination

[Application Method]

The applicant must submit the complete set of application documents either by mail or email. For the details, please confirm the following 1) and 2). The application must reach SOKENDAI no later than the application deadline, October 31, 2023 5:00pm JST.

1) mail

The complete set of application documents must be submitted by registered express mail or a similar service. If there are any problems with the submitted documents, SOKENDAI will contact the applicant via email.

Email address: gakusei@ml.soken.ac.jp (Student Affairs Section, SOKENDAI)

Notes: If the applicant will be accepted enrollment, the applicant must submit the original of official transcript and certification of graduation.

6. Selection Schedule and Method

We will carry out the selection in three steps. The first step is a paper screening (including a test of English), and the second step is an Internet interview. Only the applicants who passed the first and second steps can proceed to the final interview (the third step).

1) Paper screening

We examine contents of the transcripts from Master course, application forms, TOEFL or IELTS score, Master's thesis and its supplemental materials. English test scores may not be necessary for the applicants who are studying or graduated from the universities in the countries where English is a native language and submit academic transcript from those universities. If applicant is a prospective graduate of Master course and cannot submit Master's thesis at the time of applying, please submit it when it is ready, after having sent other application documents.

2) First interview

First interview is conducted through Internet soon after we receive the application documents. At the first interview, applicants are asked to have a presentation on their past study first, and then, an oral examination follows to examine the applicant's research plans and other general matters. Applicant is requested to send his/her presentation material prior to the first interview.

3) Final interview

Final interview will be held on a day in December 2023 for selected applicants. At the final interview, 20 minutes are allocated for presentation while another 20 minutes are for question and answer session. Presentation is expected to focus on applicant's motivation for future research,

as well as his or her plans and goals, while contents of Master's thesis or its equivalent need to be included also. Applicant is requested to send his/her presentation material prior to the final interview. Question and answer session is conducted based on contents of the presentation and submitted documents.

7. Announcement of Result

Preliminary admission and scholarship announcements will be sent in April 2024.

Final announcements will be sent by July 2024.

Application Guidelines for Japanese Government (Monbukagakusho: MEXT) Foreign Research Student Scholarship 2024 (SOKENDAI Recommendation)

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) offers a Japanese government scholarship to foreign students who wish to study at SOKENDAI by its recommendation as follows.

1. Qualifications and conditions

1) Applicants:

The scholarship is offered to new foreign students who have earned the equivalent level of a graduate with outstanding academic performance. The applicant must have a minimum GPA 2.3 or higher and are expected to maintain the equivalent level during the scholarship period.

2) Nationality:

The applicant must hold a nationality of a country that is specified by MEXT. The applicant who holds Japanese citizenship or a nationality of a country that is not specified by MEXT at the time of application is not eligible.

To see the list of specified nationalities, please confirm following webpage.

https://www.soken.ac.jp/cms_upload/specified_nationalities.pdf

3) Age:

The applicant must have been born on or after April 2, 1989.

4) Academic Background:

The applicant must have been granted or be expected to be granted a Master's degree or a professional degree by September 30, 2024.

For the details, please see "4. Qualifications for Application" in the application guidelines.

5) Study Area:

The study area must be in the same field as the applicant has studied or in a related one. The field of study must be one available at SOKENDAI.

6) Language ability:

The applicant must fulfill the following status.

- a) Holds an English proficiency test score equivalent to B2 or above on the CEFR (Common European Framework of Reference for Languages).

To see the CEFR Equivalency Chart, please confirm the following webpage.

https://www.soken.ac.jp/cms_upload/CEFR.pdf

- b) Has completed an educational program whose primary language of instruction is

English that satisfies the entrance requirements to the Five-year doctoral program or Three-year doctoral program at SOKENDAI

In the fields which require Japanese language ability (Japanese linguistics, Japanese literature, Japanese history and Japanese law), the applicant must fulfill the following status.

- a) Has passed the JLPT (Japanese Language Proficiency Test) with a score of N2 or higher
- b) Has completed an educational program whose primary language of instruction is Japanese that satisfies the entrance requirements to the Five-year doctoral program or Three-year doctoral program at SOKENDAI

7) Health:

The applicant must be in health conditions to be able to carry out his/her graduate studies in Japan.

8) Arrival in Japan:

The applicant must be able to arrive in Japan on the dates designated by SOKENDAI in the period between the middle of September and the beginning of October, 2024 (the applicant who cannot arrive in Japan within the designated period should decline acceptance. Those who arrive in Japan before the designated date for personal reasons will NOT be provided traveling expenses to Japan).

9) Visa Requirement:

If selected, the applicant will be required to acquire a "Student (ryugaku)" visa in the home country prior to coming to Japan and enter Japan with "Student" status. Therefore, the successful applicant who is already in Japan under a different residence status must change his/her residence status to "Student" by the end of September, 2024 and re-enter Japan with "Student" status. (The applicant who comes to Japan with a visa or residence status other than "Student" will NOT qualify for the Japanese government scholarship. Also, please note that the applicant who changes his/her residence status to any status other than "Student" after entry into Japan will lose his/her status as a Japanese government scholarship student.) Please be informed that there is a possibility that your application for the original residence status may not be approved after the period of MEXT scholarship student.

10) Others:

The student under the conditions stated below will NOT be considered as a candidate.

- a) Military personnel and military civilian employees registered on the active list;
- b) The applicant who is not able to arrive in Japan on the appointed dates;
- c) The applicant who has received the MEXT scholarship within the past three years

(However; this restriction does not apply to those who have been enrolled as a scholarship student in a Japanese language and culture program or as a scholarship student in the Japan-Korea Joint Undergraduate Course for Science and Engineering).

- d) The applicant will not be accepted if he/she applies for another MEXT scholarship.
- e) Applicants will not be eligible for this scholarship if they have enrolled in a Japanese university with “Student (ryugaku)” status at the time of the application and have enrolled/will be enrolled in a Japanese university as a privately-financed foreign student between the time of application and the beginning of the scholarship payment.
- f) The applicant will not be accepted if he/she has already won a scholarship from another institution (including the government of their home country) other than MEXT.
- g) Those whose main aim is to engage in fieldwork or an internship in a country other than Japan after submission of the application.

2. Term of Scholarship

[Three-year doctoral program]

If the grantee will directly enroll in the three-year doctoral program after coming to Japan, the scholarship will be payable for three years (standard program term) (starting October 2024 and finishing September 2027.)

3. Scholarship Benefits

1) Scholarship amount:

The scholarship amount for 2024 has not been fixed yet.

For reference, the scholarship amount for 2023 is as follows.

Enrolled Doctoral Program	Amount of Stipend per month
1 to 3-year student of three-year doctoral program	148,000 yen

The amount for 2024 may change depending on the budget conditions.

The scholarship will NOT be paid to the grantee who takes a leave of absence from the university or does not attend classes for an extended period of time.

2) Transportation to Japan:

According to his/her itinerary and route as designated by MEXT, the grantee will be provided an economy class air ticket from the international airport nearest to his/her home address to Narita airport, or the international airport in Japan nearest to the campus of

SOKENDAI where the grantee is placed. Other expenses such as inland transportation from his/her place of residence to the international airport, airport tax, and any special taxes on overseas travel, will NOT be provided. (The address stated in the application is considered as "home address of the grantee".)

*No air tickets will be issued to the grantee for a route from any country other than the country of his/her nationality.

3) Transportation from Japan:

For the grantee who returns to his/her home country by a specified date after the period of his/her scholarship has ended, MEXT will pay for an economy class air ticket from Narita airport or the international airport in Japan nearest to the campus of SOKENDAI where the grantee is placed to the international airport nearest to his/her home address.

* The grantee should purchase air travel insurance at his/her own expense.

* The airports for departure and return should be in the country of the grantee's nationality.

4) Education fee:

The fee for the matriculation and tuition at SOKENDAI will be paid by MEXT.

4. Recommendation and Selection

1) Scholarship Recommendation:

After screening at SOKENDAI, the President of SOKENDAI, recommends to MEXT applicants who have shown academic excellence.

2) Scholarship Selection:

Candidates are screened and selected by the selection committee from a pool of applicants recommended by presidents of all universities in Japan. Based on the results of screening and selection by the committee, MEXT selects grantees and their terms of scholarship.

3) Documents to be submitted:

- a) Application Form (Attached)
- b) Field of study and Research Plan (Attached)
- c) Photograph or digital image sized 4.5 cm x 3.5 cm taken within the past six months (Full-faced photograph. When photographed, the applicant must not wear a hat or cap hiding a part of his/her face or head. The applicant must write his/her name and nationality on the back of the photograph.)
