## Tuition Fee

Basically, half of the annual tuition fee must be paid each for the first semester and the second semester.

(It is possible to pay the total fee in one payment by making an overture.)

The tuition fee (one year) for the AY2023 of SOKENDAI is as shown in Table 1.

【Table 1】

## Tuition Payment Methods

There are two tuition fee payment methods: automatic payment transfer from personal bank account and direct transfer to the university's bank account.

### Payment by automatic payment transfer from personal bank account

Basically, SOKENDAI asks that tuition fee is paid by automatic payment transfer from personal bank accounts. If you wish to pay by automatic transfer to the university's bank account, please contact the Accounting Section. We'll send "Registration Document for Bank Account / Application for the Use of Automatic Payment" from the university.

Please note that "Registration Document for Bank Account / Application for the Use of Automatic Payment" must be submitted one month before the automatic transfer date.

#### Automatic Transfer Date

The automatic transfer dates for each semester are shown in Table 2. The payment will be deducted from the account that was specified on the "Registration Document for Bank Account / Application for the Use of Automatic Payment". Please make sure that the bank account balance is above the tuition payment by the previous day of the transfer date.

【Table 2】

Semester	Transfer Date
Payment for first semester (Apr. – Sep.)	<b>Apr. 27 (Thu.), 2023</b>
Payment for second semester (Oct. – Mar. 2024)	<b>Oct. 27 (Fri.), 2023</b>

\*If the transaction of the tuition payment is not completed for reasons such as insufficient balance, the payment will be deducted on the 27th of the following month (the closest business day after the 27th if it falls on a bank holiday).

**\*For those who applied for tuition waiver, we will inform you of the automatic transfer date together**

with the result of the evaluation.

## Payment by direct transfer to university bank account

Should you wish to pay by direct transfer to the university bank account, we will send you a **“transfer request form”** for our university bank account. Please process the transfer from your nearest financial institute **by the deadline specified on the “transfer request form”**.

\*The transfer request form for tuition waiver applicants will be sent out together with the evaluation result notice.

### Notice !

- ◆ Please note that the processing fee will be charged to the payer.
