

## Application for the Qualification for a Master's Degree

Date : 20XX/XX/XX

To the Dean of Graduate Institute for Advanced Studies / the Dean of School,

Applicant

The name of applicant written here must  
be used on all relevant documents.

Program/Department : Structural Molecular Science

Student ID No. : 20XXXXXX

Name in Full : ○○○○

I hereby apply for the Qualification for a Master's Degree with related documents in accordance with Article No.16, Clause No.1 of the Degree Regulations of The Graduate University for Advanced Studies, SOKENDAI.

Desired Degree Major: Master of Science

The degree major should be selected from the following in consultation with the main supervisor.

See Appendix for confirmation of participation in research ethics training.

Seal of Main  
Supervisor

Seal

<Confirmation of participation in research ethics training>

I have attended and completed the following research ethics education while in school.

Please select one (1) through (4) that applies.

- ☒ (1) I attended “Research Integrity” in the Freshman Course  
 Attended Month and Year: 20XX/4
- ☐ (2) I attended training/programs on “research ethics” provided by external organizations such as JSPS (for which a certificate of attendance is issued). \*1
- ☐ (3) I attended lectures, training course, etc., on “research ethics” provided by each Parent Research Institute (preferably those that are not only taking a lecture but also including a confirmation test.) \*2
- ☐ (4) I am currently attending a lecture or training course on research ethics that corresponds to (1) through (3) above., or I plan to take such courses in the future.

\*1 You have to submit the certificate of attendance of such training/programs as one of the application documents for the degree.

\*2 For those for which a certificate of attendance is not issued, you have to submit a certificate of attendance (in the designated form by SOKENDAI) issued by the department chair/program chair as one of the application documents for the degree.

The degree major should be selected from the following in consultation with the main supervisor.

Program / Department	Degree Major
Informatics	Master of Informatics
Statistical Science	Master of Statistical Science
Particle and Nuclear Physics	Master of Science
Astronomical Science	Master of Science / Master of Engineering
Fusion Science	Master of Science / Master of Engineering
Accelerator Science	Master of Science / Master of Engineering
Space and Astronautical Science	Master of Science / Master of Engineering
Molecular Science Structural / Functional Molecular Science	Master of Science
Materials Structure Science	Master of Science / Master of Engineering
Polar Science	Master of Science
Basic Biology	Master of Science
Physiological Sciences	Master of Science
Genetics	Master of Science
Integrative Evolutionary Science Evolutionary Studies of Biosystems	Master of Science / Master of Arts
