## Important notice regarding the entrance examination conducted in the summer of FY2021

The entrance examination for the Department of Genetics is held in 2 days and composed of a written exam (held in the afternoon of the first day) and an oral exam (held on the second day). In view of the influence of the spread of new coronavirus infection, for the entrance examination conducted in the summer of FY2021, the following changes will apply: both written and oral exams will be conducted through the Internet remotely. Please refer to the notice mailed before the examination for detailed schedule and method.

	Normal Time	Entrance Examination Conducted in the
		Summer of FY2021
	The written exam is held at the Department	Applicants will take the written exam at their
	of Genetics located in Mishima, Japan. The	home.
	written exam is for 3 hours.	A question sheet and an answer sheet
		(electronic files; password-locked) will be
		emailed to applicants before the exam. On the
		exam day, a password will be emailed at the
		starting time of the exam. Applicants will
Written Exam		finish the exam in 3 hours. The answer may
(in the afternoon of the		be entered directly to the electronic file
first day)		(Microsoft Word or pdf) and/or in
		handwriting on a printed answer sheet. After
		3 hours from the starting time (at the end of
		the written exam), an electronic file of
		complete answer sheet should be submitted
		by email within 20 minutes (before
		submission, a handwritten answer should be
		converted to an electronic file).
	The oral exam is held at the Department of	The oral exam will be conducted through the
	Genetics located in Mishima, Japan. The	Internet remotely by a Zoom or Webex web
	exam is in 30 minutes for each applicant, and	meeting, and applicants will participate from
	is attended by all the faculty of the	their home. The exam will be in 30 minutes
Oral Exam	Department of Genetics. First, the applicant	for each applicant, and will be attended by all
(on the second day)	makes a five-minute presentation on either	the faculty of the Department of Genetics.
	his/her past research or a future research	First, the applicant will make a five-minute
	proposal, followed by a Q&A session on the	presentation on either his/her past research or
	applicant's presentation, written exam, and	a future research proposal, followed by a
	proposed research.	Q&A session on the applicant's presentation,

	written exam, and proposed research.
	Applicants will prepare a document that will
	be referred in their five-minute presentation
	(A4 or letter size, 1 page; text and/or
	illustration) in advance and submit it along
	with their answer sheet of the written exam.

## Notes for applicants for the entrance examination conducted in the summer of FY2021

Please prepare an environment where you can use the Internet, receive and view the written exam question sheet (electronic file), complete and submit the written exam answer sheet (electronic file), and attend a Zoom or Webex web meeting (the meeting room URL will be informed in advance). You can take the examination at home or in other place as long as the contents of the examination are not leaked to a third party. You will be requested to inform us the place where you take the examination before the day of the examination.

Connections tests will be conducted in advance for both written and oral exams. In case of connection trouble, you will be requested to inform us your email address and telephone number at which you can always be contacted on the previous day and the day of the examination.
